DRAFT RULES UNDER THE HIMACHAL PRADESH CONSOLIDATION OF HOLDINGS ACT, 1953 (X OF 1954)

1 Short title —

These rules may be called the Himachal Pradesh Consolidation of Holdings Rules, 1954.

2 Extent and Commencement —

They shall come into force in the areas in which, and from the date on which, the Himachal Pradesh Consolidation of Holdings Act, 1953, other than section 1, is made applicable.

3 Definitions —

In these rules, unless there is anything repugnant in the subject or context:—

- (a) "Act" means the Himachal Pradesh Consolidation of Holdings Act, 1953 (H. P. Act No. X of 1954) ;

- (b) "Committee" means a village committee specially appointed by the Consolidation Officer in respect of any estate or group of estates for Consolidation of holdings; and

- (c) "Section" means a section of the said Act.

4 Mode of Publication —

Any matter required to be published, or of which public notice is to be given, under the Act, shall be published by exhibiting copies thereof in the estate or estates concerned in Hindi or in English as may be deemed proper, and shall also so far as possible, be announced in such estate or estates by beat of drum.

5 Matters pertaining to cancellation of declaration made under section 3—

Without prejudice to the generality of the power of the State Government to cancel the declaration mentioned in section 3, it may cancel the same on one or more of the following grounds, namely, that—

- (a) the area is under a development scheme of such a nature which, when completed, would render the consolidation inequitable to a section of the peasantry;
- (b) the area has suffered from some calamity from which it will take some time to recover;
- (c) the village is so much torn up by factions as to make any consolidation work very difficult;
- (d) cultivation in any village is scattered coupled with interspersal of uncultivated patches and consolidation of holdings is likely to serve no useful purpose; and
- (e) the tract is liable to very quick and violent changes due to fluvial action of any river or due to quick erosion of soil.

6 Consequences of cancellation of declaration made under section 3—

On cancellation of the notification under Section 3, the following consequences shall ensue as from the date of cancellation, namely—

- (a) the area shall become subject to the normal revenue administration of the district;
- (b) matters which may have been referred to arbitration under sub-section (4) and section 10 shall be transferred to the court of competent jurisdiction who shall dispose them of in accordance with the normal law and procedure

7 Procedure and proceedings relating to the examination of revenue records—

(1) The Assistant Consolidation Officer or the Consolidation Officer shall in taking action under section 6, direct the Inspector (Kanungo) to make a field to field *partial* of the village and submit a report to him showing—

- (a) the total number of plots in the village;
- (b) the number of plots which have changed their shapes by division and accretion;
- (c) the number of fields and their area created as a result of extension of cultivation;

He shall try to effect during the course of his checking, as many reconciliations between tenure-holders (which shall be reduced to writing) as possible, and shall then prepare a report on his findings.

(3) The report submitted by the Inspector (Kanungo) as amended by the Assistant Consolidation Officer or the Consolidation Officer shall be forwarded to the State Government accompanied with the opinion of the Assistant Consolidation Officer, giving reasons therefor as to whether revision of maps and records is necessary in that village, and a statement showing the number of errors in maps, Khasras and Jamabandies he has been able to correct by mutual agreements.

(4) On receipt of the report under sub rule (3), the State Government shall publish a notification regarding revision of records and thereupon a revised map and a field book and the records-of-rights shall be prepared for the village or villages concerned in accordance with the provision of the Punjab Land Revenue

Act, 1887 as applied to the Himachal Pradesh and rules framed thereunder, as if a notification had been issued in respect thereof under the said Act and rules.

(5) Where the Assistant Consolidation Officer or the Consolidation Officer is of the opinion that a revision of maps and records is not necessary, and only corrections are required to be made in revenue records, he shall proceed to correct the entries in the revenue records in accordance with the provisions of the Punjab Land Revenue Act, 1887 as applied to Himachal Pradesh and the rules framed thereunder.

8 Determination of revenue or rent of the plot under section 9 (1) (a) (v)—

The rent or revenue of a plot if it is a part of a large holding, mentioned in section 9 (1) (a) (v) shall be calculated in accordance with the following formula:—

$$R = \frac{R_1 \times R_2}{R_3}$$

R is the rent or revenue of the plot as the case may be;

R₁ is the rental value of the plot;

R₂ is the rent or revenue of the holding to which the plot belongs; and

R₃ is the rental value of the holding.

If the plot constitutes a separate holding, assessed to rent or revenue payable in cash the said rent or revenue, as the case may be, shall be entered in the statement.

9 List of tenure-holders under Section 9 (1) (b)—
